artists and
more to join
our team!***

* These positions are paid and in person for Columbia College Chicago students and require weekly attendance at our staff meeting.

* Must be flexible – news is not a 9-5 job! You may be asked to work at night or on the weekends for breaking news.

* It is a collaborative newsroom; we value people who want to be a part of a team, who believe we are better together, who strive for excellence but understand this also requires humility.

* We truly value diversity and want to be an inclusive, welcoming and accommodating place for everyone.
